We have the strongest Union in New Jersey because of the resolve and will of our members and the causes we champion. Over these past years, we have been disrespected and bullied and it is time that we move the organization forward into a new era of organizing and advocacy and regain what was lost.

My experience and proven track record of success in organizing on the grass roots level has brought together members and stakeholders and strengthened all of our locals. I have stood shoulder to shoulder with you at your rallies, in your board offices and on the streets – fighting for our rights and for our great public schools. Together, we can!

Candidates for 2nd Vice President

Theresa Fuller for SCEA 2ND VICE PRESIDENT

I have been a Social Studies teacher in North Plainfield for 15 years and have had the honor of serving in a variety of local, county, state, and national roles. I am the co-President of North Plainfield Education Association and have also served as their Membership Chair, Action Team Chair, and VP of Teachers. As an outspoken advocate, I was appointed to serve on the NJEA Congressional Contact Committee and have attended a variety of Winter and Summer Leadership Conferences. I have had the opportunity to attend the NEA Representative Assembly in 2014 and 2016. As a result of these various leadership opportunities, I have developed a firm belief in member-driven advocacy and standing up for the best interests of our collective membership. A union is made of members, like you, with the right to organize and uphold our values. The work before us is great, but I am excited for the future of public education and the prospect of working together to make a positive change. I humbly ask for your vote and the opportunity to continue fighting these battles with you!

I am honored to serve as SCEA 2nd VP. During this time, I have fought privatization, charter expansion, Chapter 78 and bolstered ties with stakeholders. I am proud to have organized events that furthered pro-education issues and strengthened ties with legislators.

The work done on behalf of the members of the SCEA is truly a calling and I humbly ask for your support as I seek re-election as SCEA 2nd VP!

Leadership

- SCEA 2nd VP
- SCEA Webmaster & Data Captain
- Hillsborough Education Association President
- NJEA Union School Graduate
- NJEA UniServ Consultant
- NJEA Government Relations Committee

Advocacy

- Testified at NJBOE against charter expansion in Somerset and lessened accountability
- Media liaison/coordinator for Somerville Pension Rally
- Collaborated on election of pro-education candidate in Somerset(LD16)
- Organized fights against privatization
- Coordinating County-wide Action plans to assist locals
- Organized Legislative Meet & Greet with Somerset/Hunterdon legislators and party chairs
- Continually improving SCEA website/Facebook page to increase member engagement and communication

Henry Goodhue is an outstanding advocate for our members. His initiatives and advocacy have helped our association thrive. He fights for public education by testifying in Trenton and organizing contract rallies. The SCEA needs his leadership skills as 2nd Vice President!

-Dan Epstein, SCEA 1st VP

Candidates for Recording Secretary

Frances Blabolil for SCEA Secretary

For 27 years, I have been worked in Warren Township first as a special education teacher and currently as an LDT-C. I was given the great honor of receiving the Governor's Teacher Award in 2004. I am the current President of the Warren Township Education Association and have also served as their VP and Negotiations Chair. I have served on the SCEA Budget Committee, Constitution/Bylaw Committee, and Presidents' Council Chair. I have served on the NJEA DA, Member Benefits Committee, and UniServ Committee, while regularly attending Winter and Summer Leadership Conferences. Nationally, I have been a delegate to the NEA RA. On numerous occasions, members from across Somerset County have contacted me about their professional concerns and inquire about how they can become more involved. Members like these know that I am educated about the issues that are important to them and that I am a passionate advocate, working to get their issues resolved. I am confident that if we work together, we can move SCEA forward in a positive direction where every member has a voice. I respectfully ask for your vote so I can continue to serve you!!!
